

CROSS COUNTRY MANUFACTURING

Engineered for today. Built for a lifetime.

250RQ Quad End Dump

Cross Country Manufacturing's Quad Wagon End Dump trailers are the ultimate solution for increasing payload and improving efficiency.

These trailers are highly durable and offer enhanced safety and control, making them an excellent choice for heavy-duty hauling. Serving construction, mining, and large-scale industrial operations, our Quad Wagon End Dumps are sure to level up your fleet.

Our Quad Wagon End Dumps are manufactured in Canada using premium steels, thereby reducing tare weight and optimizing payload for the long haul. They are designed to meet Canadian provincial requirements.
