Engineered for today. Built for a lifetime.

533HTD Hydraulic Tilt Deck Trailer

The Cross Country Manufacturing 533HTD Hydraulic Tilt Deck trailer is the most convenient, speediest, and **safest option for transporting the heaviest equipment to your worksite.**

With a 10-degree load angle and air or hydraulic ramps, this trailer makes the loading and unloading process seamless.

Our Hydraulic Tilt Decks are manufactured in Canada using premium steel, thereby reducing tare weight and optimizing payload for the long haul.
